**SECTION 5 - PROMOTIONS, (Cont'd.)****5.6 Acquisition Percent Discount Promotion #3**

This promotion is available to new, existing and returning Residential Customers who presubscribe to the Company's intrastate service through Company-designated sales channels for Company-designated marketing campaigns. Eligibility for this Promotion is contingent on the Customer's proactive response to the Company's designated marketing campaign. The promotion provides invoice credits on up to twelve (12) consecutive invoices, plus the first partial month if enrollment begins prior to the first full billing cycle after the Residential Customer initiates service.

Company-forecasted spending levels for the Residential Customer or the Residential Customer's reported spending levels qualify the Residential Customer for one of the following levels of Percent Discount credits.

All interexchange usage - up to the limits detailed below - contributes toward calculation of Percent Discount credits. Percent Discount credits are calculated based on the tariffed rates, prior to the application of any other credits. The Percent Discount credits will appear on the same invoice as contributing usage for a fixed number of complete billing cycles, per the schedule below.

The Residential Customer who discontinues the Company's service, or whose service is discontinued by the Company, prior to exercising earned Percent Discount credits forfeits remaining eligibility. Unused Percent Discount credits from one billing cycle will not carry over to subsequent billing cycle(s).

Forecasted or Reported Monthly Long Distance Spending	Promotion Duration(# of Complete Bill Cycles)	Applicable Percent Discount
\$0 - \$9.99	0	0%
\$10.00 - \$24.99	3	50%
\$25.00 - \$49.99	6	33%
\$50.00 +	12	10%

This promotion may not be combined with any other Free Minutes or Percent Discount promotion. Identical interstate, intrastate or international promotions are not cumulative. This offer is valid through until canceled by Company.
